

POWERS ENDORSE
TREATY TO AVERT
PACIFIC WARFARE

Agreement Designed To End
For 10 Years Menace Of
War In Pacific.

ARBITRATION WILL
SETTLE DISPUTES

Britain, Japan, France And
United States Enter
*Agreement.

Washington, Dec. 10.—The new four-
powered treaty between Great Britain,
the United States, Japan and France,
designed to end for 10 years at least,
possibly longer, the menace of war in
the Pacific, was presented to the
world today, and received the hearty
indorsement of not only the four par-
ticipating powers but also the smaller
powers attending the conference.

After Senator Lodge, majority leader
of the senate, had presented the pact
in the open conference the spokesman
of each delegation rose and announced
his nation's willingness to leave the
peace of the Pacific to the four great
powers.

When they had all finished Secretary
of State Hughes adjourned the confer-
ence by stating:

"We have been dealing, gentlemen,
with a very simple paper. It brings to
mind that all great things are simple.

"When this agreement takes effect,
I firmly believe we will have gone fur-
ther in the direction of securing per-
manent peace than in many things
that have yet been done."

Terms Of Treaty

The treaty was not signed today,
only initialed. The actual attachment
of signatures will be delayed until the
United States and Japan conclude
their private negotiations with regards
to the island of Yap.

Under the terms of the treaty the
four powers agree:

1.—To respect each other's insular
possessions in the Pacific, and to sub-
mit disputes that may arise to a com-
mon conference for adjustment and
consideration.

2.—If the rights of either of the sig-
natory powers are threatened by an-
other power, the signers of the treaty
will confer together for the purpose of
taking action either separately or jointly.

3.—The treaty shall remain in force
for 10 years, subject to the rights of
any one of the powers to terminate it
upon one year's notice.

4.—Upon ratification of the treaty
by the constitutional agencies of each
country the Anglo-Japanese alliance
which is so obnoxious to America
shall be terminated.

**MANY TENANTS ROUTED
BY MASSILLON BLAZE**

Massillon, Dec. 10. — Several fire-
men were overcome by the smoke
and nearly a score of persons, ten-
ants of second story apartments,
were forced to flee early this morn-
ing when fire destroyed a two-story
building belonging to the Wagner
Auto Garage Co., causing a loss es-
timated at \$75,000.

Twenty-five automobiles were de-
stroyed. The origin of the fire is un-
known.

Firemen of Massillon and Canton
had the blaze under control at 6
o'clock, after fighting the flames for
five hours. Explosions of gasoline
added to their perils.

CONTINUE MILK STRIKE

Cleveland, Dec. 10. — Hopes of
ending the milk strike, which has
been in effect here since November
4, affecting drivers of Telling-Delle
Vernon wagons have been blasted,
following the rejection of the com-
promise proposal worked out by a
committee of city council. The union
drivers by a vote of 361 to 161 rejected
the proposition.

Helsingfors — The proposal has
been made for renaming Petrograd
Leningrad in honor of Nicolai Lenin
head of the Russian Bolshevik gov-
ernment, says a Moscow dispatch.

HIGHEST SCOUT HONOR
GIVEN ERIC EASTMAN

Two Boy Scouts—Hiram Greiner,
son of Mr. and Mrs. H. A. Greiner,
and Eric Eastman, son of Rev. and
Mrs. F. S. Eastman—were honored
for accomplishments in Scout work
by the presentation of merit badges
at the Scout banquet in the Elks
home Friday night.

To Eric Eastman went the highest
honor in Scouting, the Eagle badge,
for having passed all the required
tests. Of all the Scouts in the United
States, there are only 417 with the
Eagle rank. One of the tests is to
dive six feet into the water and
bring up a 30-pound weight; another
to dive into the water with one's
eyes closed and under while in the
water.

The presentation was made by H.

Japan Accepts,
London Says

London, Dec. 10.—That Japan
has definitely agreed to the 553 naval ratio was con-
firmed at the British foreign
office today.

Japan, America and Britain
have agreed to non fortifica-
tion of islands in the Pacific.

It is accepted here as a fore-
gone conclusion that an agree-
ment between Britain, Amer-
ica, Japan and France will
supplant the Anglo-Japanese
alliance.

Constructive Criticism Is
Desired, Rohrbaugh
Declares.

Nearly 100 parents of high school
students were guests Friday after-
noon at the specially arranged pro-
gram at Salem high school in con-
nection with national education week.

Attending the various classes par-
ents were given an insight into the
wide scope of studies pupils have
the advantage of selecting and the
modern methods used in giving the
young people an education.

At the assembly in the auditorium
parents were given honor seats as
Frank Kille, chairman, opened the
program.

Principal C. M. Rohrbaugh told
briefly the good results accomplish-
ed through the cooperation of par-
ents and children, saying that educa-
tion at home is just as important in
some respects as the education the
child obtains at school.

"Constructive criticism," said Mr.
Rohrbaugh, "is not only appreciated
but desired by school authorities and
every attention will be given to rem-
edy any defects that are noticed by
parents and brought to the school
authorities attention." At the same
time he advised parents to thorough-

AUTHORIZE EQUIPMENT
FOR FIRE DEPARTMENT

A resolution authorizing the expendi-
ture of \$2,700 for the purchase of
a new engine for the chemical wagon
at the fire department was passed
Friday night by city council in spe-
cial session.

With this action Salem's fire de-
partment will soon be in excellent
shape. The pumper in which a new
engine was recently placed has stood
all tests of efficiency. A new pumper
has been authorized by council and
with the installation of the engine
in the chemical wagon Salem will
have a complete fire equipment.

OFFICERS ARE NAMED
BY P-T ASSOCIATION

The Parent-Teacher association of
Chesnut Grove school met Friday
evening at the schoolhouse, just
south of Salem, and adopted a
constitution and bylaws, which provided
for additional officers. They are:

Director of Programs, Mark Shel-
ton; advisory board, Mr. and Mrs.
De Wan, H. D. Kerr, Mrs. Gary
Greenstein; press agent, Miss Anna
Wells.

The association will hold a meet-
ing the second Friday in January at
which there will be a special speaker.

SCOUTS OF SALEM
ARE ENTERTAINED
AT FINE BANQUET

Girls And Boys Make Merry
At Elks Home Friday
Evening.

MUSIC AND TOASTS

Indoor Sports Are Enjoyed
Later At The Commu-
nity House.

Boy Scouts and Girl Scouts of Sa-
lem, more than 100 of them, were
guests at a banquet served in the Elks
home Friday night and to many of
them it was the biggest event in their
young lives. There was music and
speaking and tastefully arranged ban-
quet tables just like their elders enjoy
at banquets and the young men and
women conducted themselves more
graciously than many of their elders
under similar circumstances.

This event was arranged by Miss
Mary Holdenman, recreational worker
at the Community house, and to her
all credit is due for its success. Scout
leaders were there and representa-
tives of various civic organizations
mingled with the Scouts.

Songs were sung and instrumental
selections were given by Miss Doris
Wisner and Eldon Vonneman and even
though the boys were "fed up" on ad-
vice as to good manners, they seemed
to enjoy the remarks of Rev. F. S.
Eastman, the toastmaster, and other
men who spoke.

O. C. Hoover, representing the
American Legion, told the Scouts that
the ex-service men were back of their
movement; Father A. J. Manning of
St. Paul's Catholic church urged them
to build clean characters and to go
slow in making new friends; H. A.
Gager, representing the Kiwanis club,
told them they were living a great
age with greater responsibilities than
the boys of other years; C. H. Co-
bourn, president of the Chamber of
Commerce, urged them to be thrifty;
and L. W. Atkinson, representing the
Rotary club, reminded them that they
would be the men of 1930 and that
they should prepare themselves for
the future.

Following the banquet the troops
marched down Main and Depot sts.
to the Community house where they
enjoyed the remainder of the evening
in indoor track meet events. They
were divided into eight college teams
arranged so that there were two
teams in each room carrying on these
stunts at the same time.

Mock events of basketball, shot put,
hurdle race, tug of war, rooster fight,
cracker relay, peanut relay and suit
case relay were greatly enjoyed and
the yells by the different teams dem-
onstrated the spirit in which they
entered all the stunts.

At the close of the evening a lov-
ing cup was presented to Hiram Col-
lege for winning the most points in
the contests.

OIL TANKER BLOWS UP,
KILLING MAN; SCORES
HAVE NARROW ESCAPES

Providence, R. I., Dec. 10.—One
man was instantly killed and more
than a score of others had narrow
escapes from death here today when
Standard Oil tanker Comet blew
up. The dead man, Thomas Amplein
of Boston, was literally blown to
pieces.

The tanker immediately burst into
flames and for a time neighboring
shipping and buildings were endan-
gered. The tug, Standard Oil, drop-
ped a line onto the burning vessel
and towed her out into the river.

MOE BARON CONVICTED,
ASKS FOR NEW TRIAL

Cleveland, Dec. 10.—Motions for a
new trial will be made today before
Judge D. C. Westenhaver in United
States district court by attorneys
for Moe H. Baron, Brooklyn, whole-
sale liquor dealer and Hyman, Barnett
Pittsburg restaurant owner, convict-
ed by a jury late last night of con-
spiracy to violate the federal pro-
hibition laws.

Ike Simon, of Pittsburg, automobile
dealer, tried on the same charges,
was acquitted.

The men were accused of offering
a bribe to former Safety Director
Scott of Youngstown.

Japan Needs
Friends, Says
Dr. Headland

Tells Schoolmasters War
Impends If Armament
Parley Fails.

"Unless the Washington disarmament
conference can convince Japan
that she cannot form an empire from
parts of Korea and China there is
a strong probability of another World
war. Japan is friendless among na-
tions and in the event of war would
be the loser."

This was the predominating note
sounded by Dr. I. T. Headland of Mt.
Union college Friday night at the
session of the Schoolmasters club of
Columbiana county held at Salem
high school and attended by about
40 teachers from the county.

Dr. Headland emphasized the need
of Japanese expansion, their war-
like disposition and character, in his
talk, "The Problems of the Pacific
and Far East." He drew upon his
years of experience as a missionary
dating back 20 years when he first
visited Japan.

Dr. Headland referred to Japan's
demand at the Washington confer-
ence for a larger navy than that de-
sired to be allotted by the powers
and how that nation in the Pacific
must maintain a strong resistance to
continue prosperity as Japan is a
nation of adopters and not originators.

A resolution calling for meeting of
School superintendents or principals
to arrange athletic relations between
various schools of the county was
authorized. Supt. H. A. Tuttle of Co-
lumbiana was elected president and
J. A. Aullin of Lisbon was elected
secretary-treasurer.

The date and all arrangements for
the meeting will be announced later
by Mr. Tuttle.

A mid-year meeting of county
schoolmasters was proposed in the
general discussion relative to school
activities.

YOUTHFUL GRANGERS
ORGANIZE SOCIETY

Perry grange has granted its young
people one meeting a month for a
social time and Friday evening
these young people met and organ-
ized a Young People society. The
officers are:

President, Miss Mary Van Blar-
com; vice president, Russell Mc-
Cann; secretary-treasurer, Edward
Rea. Committees for the month of
January are: Entertainment, Miss
Mary Bates, George McConner and
Lester Newhouse; refreshment, Miss
May Younts, Helen Newhouse and
Lester Betz.

The society will meet the fourth
Friday night of each month.

MILITANT'S AUXILIARY
NAMES 1922 OFFICERS

The Ladies auxiliary of the Pa-
trarchs Militant met Friday evening
and elected these officers:

President, Mrs. C. H. Betz; vice
president, Mrs. Austin Getz; sec-
retary, Mrs. J. L. Shriver; treasurer,
Mrs. Frank Stewart.

The installation will be at the Jan-
uary meeting. Two applications for
membership were balloted on.

Christmas Seals To Provide
Aid For Public Health Work

Sale Is Designed To Fight Tuberculosis But Salem
Nurse Points Out That The Fight Must Include All
Forms Of Health Nursing To Better Conditions.

Salem's campaign for the sale of
Christmas seals to help in the fight
against tuberculosis and to further
public health work will be opened
Monday. Seals will be placed on
sale in the stores, manufacturers will
be solicited and school children will
carry the campaign into the homes.

To give the public an idea of what
public health work means, Miss
Grace Donsing, public health nurse,
has submitted the following:

"Today Salem is beginning its
drive to support the public health
work in the community. While the
sale of the Christmas seal is designed
to fight tuberculosis, we have
learned that this fight must include
all forms of public health nursing to
better the living conditions as well
as caring for individual cases of ill-
ness.

"The main branches of public
health nursing to be included in a
health program are: Tuberculosis,
school nursing, child welfare, com-
municable disease, visiting nursing.

Visiting Nursing

"Giving skilled care to all persons
ill in their homes. By practical dem-
onstration the nurse teaches a mem-
ber of family to care for and carry
out physician's orders.

Summary of Work

"In so far as possible this plan of
work has been carried out in Salem
and the Christmas seals supported
this work for several months of last
year. Our great handicap has been
too large a program for one worker.
Experience has taught that there
should be a public health nurse for
every 5,000 to 10,000 persons in a city
and a school nurse to every 3,000
children. Unless a nursing service
is supplied equivalent to that it is
impossible to do more than skim the
top."

Tuberculosis

"Secure adequate medical and
nursing care for tuberculosis cases.
"Instruct patient and family as to
precautions to prevent spread of dis-
ease."
"Emphasize need for physical ex-
amination of every member of fam-
ily."

"See that patient carries out treat-
ment either at home or sanatorium."
"Seek cooperation of relief agen-
cies if aid is necessary."
"Report case to health officer."
"Instruct family as to disinfecting."
"Supply sputum cups, paper nap-
kins, milk, eggs, etc when necessary."

School Nursing

"Make superficial physical exami-
nation of school children."
"Inform parents of physical defects
by written notification or home visit."
"Secure medical and social treat-
ment for all school children in need
of such care."

"Use all precautions to protect
children against infection of com-
municable diseases."
"Stimulate interest in carrying out
all form of health education."
"Assist in organizing and con-
ducting nutritive classes."

Child Welfare

"Give prenatal instruction; post-
natal care to mother and baby; urge
hospital care for maternity patients;
conduct baby clinics; assist in secur-
ing physical examination and correc-
tion of defects of all children of pre-
school age."

Communicable Diseases

"Visits should be made to all
homes where communicable disease
exists when requested by health
officer for care and education of patient
and family to prevent spread of dis-
ease."
"Assist in educating and arousing
interest of public to need of adequate

SEVEN MEN INDICTED
IN SCHEME TO DISPOSE
OF STOLEN SECURITIES

Chicago, Dec. 10.—Seven men are
under indictment today in connection
with an alleged scheme to dispose of
\$2,000,000 in stolen securities.

Kenneth Anderson, head of the
firm of Anderson, Hamilton & Co.,
brokers, is charged with receiving
stolen property and conspiracy. It is
alleged that Anderson placed the
stolen securities with salesmen know-
ing they had been illegally acquired.

Among the men indicted is Dr.
Haldane Cleminson, who is alleged to
have confessed to being the "go be-
tween" between those who stole the
bonds and those who attempted to dis-
pose of them. Dr. Cleminson is under
life sentence for the murder of his
wife in 1919 but was at liberty on
parole.

Others indicted are salesmen em-
ployed by the brokerage firm.

WOMAN LAWYER WILL
TALK ON MORMONISM

Mrs. Frances J. Diefenderfer, pres-
ident at large of the National Reform
association, will speak at 7:30 p. m.
Thursday, Dec. 15, at the First
Friends church on "Mormonism." This
meeting is being arranged by the
W. C. T. U.

At 2:30 that afternoon Mrs. Diefen-
derfer will speak to women only.
She is a lawyer and known as the
"silver tongued orator of Utah."

TEACHERS GIVE TALKS

Teachers took part in the parent-
teachers meeting at the Fourth st.
school Thursday afternoon. Mrs. How-
ard Hoopes spoke on how to judge a
school and reported schools visited
in Alliance.

Miss Rhea Todd talked on the pro-
jects that are being carried on by
students of the Youngstown schools
and her talk was one of great inter-
est.

STRIKERS ATTACK
MAN EMPLOYED AT
SANITARY PLANT

Herman Hirsch Struck On
Head, Instrument Cut-
ting Deep Gash.

TWO MEN CHARGED
WITH THE ASSAULT

No Arrests Made But Mayor
Says Men Will Appear
For Hearing.

Disturbances at the plant of the
National Sanitary Manufacturing Co.,
where the molders have been on
strike for many months, broke out
again early Saturday morning and as
a result Herman Hirsch, an employe,
is suffering from a deep wound of
the top of his head.

Hirsch was attacked by two men
as he approached the railroad tracks
on Depot st. while on his way to work
Saturday morning. He was struck
with a blunt instrument which cut a
gash requiring three stitches to close.
Recognizing his assailants, it is
claimed, Hirsch filed affidavits in
mayor's court charging Charles
Black and Joseph Zender with as-
sault. The men have not been ar-
rested, but according to Mayor John
W. Post they will appear in his court
for hearing at 10 a. m. Monday.

Minor disturbances and intimidations
in connection with this strike
have been frequent, especially with-
in the last week, according to com-
pany officials. This situation, they
say, has retarded operations at the
plant at a time when many unem-
ployed men of Salem could be given
work.

"We have sufficient orders to op-
erate the plant at capacity if proper
protection could be given our em-
ployees," Secretary R. A. Lamont, Jr.,
stated Saturday. "We are now em-
ploying about 80 men but there could
be work for 200 more if the strikers
did not interfere with operations."

JUDGE LODGE RIDDLE
WILL SPEAK AT LOYAL
WOMEN'S ANNIVERSARY

Sunday will be Loyal Women's day
at the First Christian church, the
occasion being the observance of the
tenth anniversary of the class.

The class is planning to have a
record attendance at the church
school period and to attend the
church service in a body.

At 7:30 p. m. Judge Lodge Riddle
of Lisbon will speak on "Paul's
Trial," discussing this subject from
an attorney's viewpoint. The pub-
lic is urged to attend this service.

Special music will feature all the
services of the day and the High
school orchestra will play at the
school period.

The Loyal Women's class was or-
ganized 10 years ago the latter part
of this month by Miss Ethel Beck,
now of Cleveland, with an enrollment
of about 12. Miss Laura Edney was
the first teacher.

At the present time the class num-
bers about 80 and its average at-
tendance lately has been between
75 and 100. Miss Addie Bousall is
the teacher. Mrs. Chas Schwartz
taught this class for a year, subse-
quently for Miss Bousall.

STRAWN HOME ROBBED,
HUNT HERE FOR GOODS

Following the robbery Monday at
the home of Mac Strawn, Damascus
road, when table linen, silverware
and wearing apparel were stolen, Sa-
lem police Friday searched one home
in Salem following information re-
ceived that the occupant and another
Salem resident were seen in the
vicinity of the Strawn home about the
time of the robbery.

The search warrant was sworn out
in Sebring and given to local authori-
ties who have been conducting an in-
vestigation. No trace of the stolen
goods has been found.

IRISH TREATY BACKED
BY CATHOLIC CHURCH

Dublin, Dec. 10.—The powerful in-
fluence of the Roman Catholic church
today swing in favor of ratification
of the Irish peace treaty.

Cardinal Logue, primate of Ireland
—the highest Catholic prelate in the
island—accused Eamon De Valera of
acting unfairly in his opposition to the
pact.

"I favor ratification of the treaty,"
said Cardinal Logue. "I think that
De Valera in his message to the Irish
people acted unfairly and prejudiced
the decision of the Irish people."

"I shall probably call a meeting of
Roman Catholic bishops early next
week to discuss the situation. It is
my opinion that the country should
be consulted."

The revelation that the Roman
Catholic church is favorable to ratifi-
cation of the treaty gave tremendous
impetus to the movement of the
"peace party" headed by Arthur Grif-
fith and Michael Collins.

A canvass of Dublin reveals that a
majority of the citizens favor ratifi-
cation of the treaty and are opposed to
the recalcitrant stand of De Valera.

Anxiety was expressed in some
quarters that fiery and impassioned
oratory of De Valera in daily eireann
next Wednesday night prove effective
in leading up ratification.

Dr. Lorenz Should Stay
It is sincerely to be hoped that Dr. Lorenz will not permit himself to be driven away from this country by the attitude of a few persons who do not in any way reflect the American spirit or the ethics of American medicine.

The great Vienna surgeon is a sensitive man. Coming here from a country which before it was dismembered and reduced to poverty was one of the Central Powers, he may have feared that he would encounter prejudice. That he has met with none among the masses of the people, that the American newspapers have almost without exception hailed him at a great world figure, are facts of which he and Americans alike should be proud.

But a few persons, some of them in Dr. Lorenz's own profession, narrow in their professional jealousy, have made slightly remarks. To these petty manifestations have been added mutterings to the effect that the great orthopaedic surgeon was mercenary. There may have been grafters who traded on a fictitious association with Dr. Lorenz, but nobody familiar with the princely opportunities for fees which he has declined will doubt Dr. Lorenz's fine motives. On the point of accepting remuneration there could be no more legitimate criticism of Dr. Lorenz for receiving private fees for his services than of any American physician for taking fees. Dr. Lorenz announced that he had come to do certain things and he has kept his promise. He has given of all of his strength, even to the verge of prostration, for humanity.

Dr. Lorenz should not be misled by the mutterings of the few persons. He should not worry because those few keep talking about nationalities. Science and mercy know no boundary lines.

If Dr. Lorenz should be driven away by the few small minded and envious persons his going would be the cause of shame to the millions who appreciate not only his genius but his fine spirit.

Buy Christmas Seals

TEN thousand American veterans of the World war are being treated for tuberculosis in government sanatoria and hospitals. Many times that number of veterans are known to be suffering from tuberculosis while they remain at home and at their daily tasks earning their livelihoods. In the next few years especially and for many years to come tuberculosis will kill annually regiments of men who came safely through the hazards of wartime on land and sea.

For these reasons the American Legion has a deep and sympathetic interest in the country-wide campaign which the National Tuberculosis association has been conducting for many years in the hope of stamping out the disease through education concerning its cause, its prevention and its cure. The third national convention at Kansas City adopted a special resolution endorsing the work of the National Tuberculosis association, and Legionnaires in this holiday season have the opportunity of demonstrating that the Legion's appreciation is deeper than words.

Funds raised by the sale of Christmas Seals are used to impress upon all people that the scourge of tuberculosis can be conquered and prevented. Funds are used to care for those afflicted in an effort to check the disease, also to educate the public in measures which will prevent new cases.

The state is making great strides in the prevention and cure of diseases of all kinds, and besides its central office at Columbus, has its county and city health officials and public health nurses, who should be called upon at any time for aid and advice.

Tuberculosis is by far the most ravaging disease that preys upon the human family, and therefore the co-operation of the public, and large sums of money, are needed for the education of the people along preventive lines.

The extinction of the disease de-

pends wholly upon the education, habits and resistance of the rising generation. Great strides are being made in accomplishing this, but generous donations at this time are urgently being solicited in order to keep the good work going.

Catarhal Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions.

Painful Sores On Her Ankle

Healed by Hood Preparations
For two years I suffered greatly from blue veins on my leg. They started with a little sore that grew worse, larger, more painful till it extended around my whole ankle. I decided to take Hood's Sarsaparilla to purify my blood, with Hood's Medicated Soap to wash the sore, and Hood's Olive Ointment to help heal it. It was soon apparent I was on the right course, for the Sarsaparilla, the sore diminished and finally disappeared. I heartily recommend these remedies to all suffering from similar troubles. CHURCHES

Methodist, Rev. H. H. Scott, minister—At 9:45, the Church Bible school will convene, Raymond Fletcher, superintendent.

At 11, Dr. B. B. B. will see the rector of the Rapid City hospital, Rapid City, South Dakota, will speak in the interests of the Women's Home Missionary society. This is the time of the regular thank offering of the society.

At 6:30, the Epworth League will be led by Miss Eleanor Tolerton and the topic will be "The Epworth Herald the Young Peoples Paper of the Epworth League."

At 7:30, the pastor will preach on "The Supreme Character of History." Every age outgrows the conceptions of the past and the character of the past. But one man only has lived among men whom the ages never outgrow.

Wednesday at 7:30 the usual mid-week service will be held. We want 100 Bible lovers who will study the Bible this winter, in the mid-week service. We are beginning the study of the Gospel of John. Bring the little red book with you. Tuesday at 6:30 the Unity class will hold its regular monthly social and business meeting.

Holy Trinity Lutheran, Rev. J. P. Hama, minister—Sunday school at 9:45, A. H. Schropp, superintendent. Morning worship at 11; vespers at 7:30 p. m.

God has no cause for haste, but many a sincere believer wonders why the promises and predictions of the scriptures have not been completely fulfilled. John the Baptist never doubted the Messiahship of Jesus, but he wondered at His seeming alliance. The subject of the morning sermon will be "An impatient Believer."

In the evening the pastor will preach on "The Bogey of Bigness." Frequently a small band of American Colonists put to flight superior numbers of British soldiers. Spirit overcame numbers. As a people we deal in vast quantities, we talk in large sums, we measure success by bulk. Christ picked His disciples one by one, and His success continues.

Christian, Rev. H. L. Miller, minister—Educational work in Salem has been profitable to schools and homes. "Education," let us remember, "is not mere instruction. It is growing up in all things to our highest possibility." The church school can help in such development. Every Sunday! Come! Tomorrow the High school orchestra will play. Come early.

Morning service and communion, 11, subject, "The Soul-Standard Height, Five Feet or Six." Evening service, 7:30, Judge Riddle, of Lisbon, will deliver the address. Special music at all the services.

Christian Scientist Society, 20 Chestnut st.—Morning service, 11, subject, "God, The Preserver of Man." Golden Text: "Happy are thou, O Israel; who is like unto thee, O people saved by the Lord, the shield of thy help, and who is the sword of thy excellency!"

Sunday school at 9:45. Wednesday evening meeting at 8 o'clock. All are welcome.

Presbyterian — Dr. Moses Breeze will speak at the services at 11 and 7:30 Sunday. Bible school, 9:45; Christian Endeavor service at 6:30.

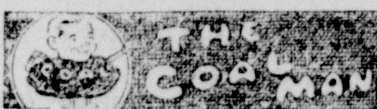

The regular meeting of the Missionary society will be Wednesday afternoon. Business session at 3.

NATION'S OBLIGATIONS DISCUSSED BY GRANGE

"Resolved, That the United States Should Cancel the Obligations due it Owing to the War" was the question debated at the lecture hour of Willow Grove Grange meeting Friday evening at the hall south west of Salem. The affirmative side was defended by Willis Whinnery and E. Y. Gamble, while W. H. Boone and George Moore upheld the negative side. There was no decision given on the question.

Mrs. E. Y. Gamble was elected secretary to fill the vacancy caused by the resignation of Mrs. Nelson Bau-nach, secretary elect.

LOU TELEGAN COMING HERE IN "BLIND YOUTH"

Lou Tellegen, the distinguished romantic actor and manager who on Thursday, Dec. 15, will present himself and his own company at the Grand theater in his great success, "Blind Youth," a comedy drama in three acts by Willard Mack and himself, has established and is preserving a new kind of characterization work so different from the impersonations of others and remarkable in that difference, that he has gained the admiration of the press and the theater-going public of the entire country, and is without a doubt the most popular male star the American stage can boast of.

Mr. Tellegen comes to this city with a remarkable cast of players, notable among whom will be found Helen Grayce, Isabel Alden, Dorothy

Beardley, Georgia Prentice, Louis Barclay, Russell Davis, Hugh Banks and Russell Clark and has given his play a brand new production identical with that used during the runs in New York, Boston and Chicago.

INJURY BRINGS VERDICT

Harry Morris was given a verdict in common pleas court Friday against George Rice for \$50 and costs after a trial in which he had claimed damages for injury to his machine in an automobile collision. Morris claimed that on the 18th of last January he was driving along the Lincoln highway near the Madison church in Madison township, and got out to fix his car. While he was the act of repairing the car he was ran into by the defendant.

What God Says about GOOD MEN

"There is none good but one, that is God."

So there aren't any good men, never have been any. Yes, there was one good man and that was the man who spoke these very words—Jesus Christ—but He was God.

Indeed, that is what he expected the young man to infer, when he replied to him.

This young fellow in the enthusiasm of the moment had rather carelessly said, "Good Master, what shall I do that I may inherit eternal life?" And Jesus said, "Why do you call me good?"

There is no such thing as a good man; God alone is good. He wanted that young man, as He wants every man, to say—you are God for you are good.

Any man that will believe in his heart that Jesus Christ is God, mind you, not was God, but is God, that man will not have to do anything to inherit eternal life—he has it. Eternal life is the gift of God to any one who will believe his son.

MISBRANDED "VINEGAR" SEIZED BY OFFICIALS

Columbus, Dec. 10.—Confiscation of alleged misbranded and adulterated vinegar in Ohio continues.

During November approximately 500 barrels were seized by the bureau of chemistry, U. S. department of agriculture with which the dairy and food division of the state department has been co-operating. Seizure of much more is pending, that department announced today. The campaign began in October.

Sixty-one barrels were confiscated from the Columbus wholesale grocery concern and 38 from another. Nearly all this vinegar, officials say, was made by a New York concern, which is alleged to be branding it "cider vinegar" when it isn't vinegar. Much of it also contains chemicals prohibited by Ohio and federal laws, it is charged.

FIRESONE BUYS PLANT
Akron, Dec. 1.—Announcement was made today that the Fires one Tire & Rubber Co. has purchased the plant of the Apsley Rubber Co. in Hudson, Mass., formed 27 years ago by L. S. Apsley.

OBITUARY

Mrs. Susan Higgins
Mrs. Susan Higgins, aged 77 for many years a resident of Lisbon and vicinity, died Friday at her home in that city following serious injuries sustained 19 days ago when she fell over a chair and broke her hip. The aged woman had a tendency to go about the house alone, and stumbling over the chair and losing her balance sustained serious, and what proved to be fatal injuries.

Deceased was born in Allenstown Pa. but for many years had resided in Lisbon. She was first united in marriage with Lewis Kasper, three daughters being born of this marriage and a number of years after his death she was united in marriage with James Higgins whose death occurred about two years ago. She is survived by two daughters, Mrs. Bert Taylor, of Warren and Mrs. Frank Orr of Cleveland.

Funeral for Mrs. Taylor
Mrs. William Spear, Garfield, and Mr. and Mrs. William Brantley, Struthers, were among those who attended the funeral for Mrs. Alex Taylor Friday afternoon at the First Friends church. Rev. J. L. Kinsey officiated. Burial was in Highland cemetery.

Funeral for Mrs. Hoffmaster
Rev. H. L. Miller officiated at the funeral of Mrs. Ida Hoffmaster Friday afternoon at the home on Garfield ave. Burial was in Hope cemetery. There were people in attendance from Youngstown, Leetonia, East Springfield and Columbiana.

Williams on, W. Va.—Because of the non-payment of a \$2,000 water bill, the city's water supply was shut off here several days ago. The town resembled an Egyptian watering place as the citizens were compelled to carry water from wells and cisterns.

OBITUARY

Columbus, Dec. 10.—Confiscation of alleged misbranded and adulterated vinegar in Ohio continues.

During November approximately 500 barrels were seized by the bureau of chemistry, U. S. department of agriculture with which the dairy and food division of the state department has been co-operating. Seizure of much more is pending, that department announced today. The campaign began in October.

Sixty-one barrels were confiscated from the Columbus wholesale grocery concern and 38 from another. Nearly all this vinegar, officials say, was made by a New York concern, which is alleged to be branding it "cider vinegar" when it isn't vinegar. Much of it also contains chemicals prohibited by Ohio and federal laws, it is charged.

by investigate conditions before bringing complaints which in a number of instances prove to be unjust.

Mr. Rohrabach in urging co-operation stated that such visits of parents to school in the future would be a big help and he asked parents to avail themselves of the opportunity whenever possible.

Rev. H. P. Harman Speaks

Choosing the subject "Education" as the theme for his address, Rev. H. P. Harman delivered a forceful talk appreciated by both parents and students. It dealt with the every day phase of education and the advantages derived from being able to mingle with others on the same educational basis.

"Education if sought from a selfish standpoint to look down on your neighbor is not the education the world desires," said Rev. H. P. Harman, "but instead the education that fits you to play the game of life and under a service to mankind."

Throughout his address Rev. Mr. Harman urged parents to see that education starts at home and not be shoved off on teachers as is done in many instances; and then if the child is lax in his studies to blame the school's. He agreed with Mr. Rohrabach that constructive criticism is advantageous but cautioned parents from mistaking constructive and damaging criticism.

Rev. Mr. Harman urged parents to attend school classes in the future and take an active part in their children's education which today covers a wide scope dependent upon the child.

OUR READERS

News on Bible.
Dear Citizen of Jewish Faith:
Your article relative to the W. C. T. U.'s endeavor to have the Bible placed in the public schools read with interest and some degree of disgust. Not offering any explanation for the activities of the W. C. T. U. in the above premises, yet I seem to detect a selfish motive in the article you contributed "Bible in the Schools."
Are you really sorry for "those ladies?" And since when has the country gone dry? Are you really sure that all the "citizens of Jewish faith" are strictly adhering to the provisions of the Volstead prohibition law? Now, come down and be fair.

Are You "Coaled"?

Have you foresight or are you one of the careless people who neglect their coalbin until winter is full upon us?
"Time waits for no man," neither does winter.

TELEPHONE US TODAY

Pascola Coal Company

Successor to Callahan Coal Co.
Coal Bank, Ohio State 268
Office, Ohio State 447, Bell 537

Is not the motive that prompted you to write that article purely selfish? Isn't it simply a matter that you were reared and trained under Jewish faith? Can you find fault with those ladies for their endeavors to perpetuate the cause under which they were reared and trained? And does the whole proposition amount to the price of a second-hand Ford anyway? Don't we find slackers, murderers, thieves and prostitutes under all "faiths?"

You say, "Keep religion out of the schools." I agree with you. Religion after all is only diplomatic string-pulling by members of various "faiths." But a little Christianity is a mighty good thing and I now of no place that is more appropriate to instill it than our public schools; to the little men and women who will eventually be entrusted to pilot the good ship Columbia, and to safeguard the principle under which this grand country was founded.

I think, Jewish friend, that you had better be a regular fellow. Don't find fault with the aim of the W. C. T. U. Probably they are as sincere as you. At any rate you don't have to take their medicine any more than one has to be thirsty in this prohibition United States, for they tell me that cellars are full of it.

If you can't bring yourself around to harmonize with the thought of a Bible in the school rooms, why just start a school of your own.

A CITIZEN OF NO PARTICULAR FAITH.

Wants Bible in Schools

Editor of The News:

I am very sorry indeed that any citizen of Salem should object to the Bible as evinced in Friday's News by citizen of Jewish faith. Jews, Catholics and Friends believe in the Bible. It is the very foundation stone of civilized government and our public institutions must be conducted in conformity with the principles embodied in our constitution. (Neglect the ethics of the Bible in our schools and we are running fast toward barbarism.)

What civilized nation is there that is not based on principles set forth in the Bible?

New Light on Batteries

"Since all batteries look so much alike on the outside, how am I going to tell which one has the most value inside?"

That is a practical every-day question—and it has a simple every-day answer.

What greater assurance could you possibly have than the following combination of facts:

- 1—Extraordinary quality in the battery itself as shown by the choice of the Willard Threaded Rubber Battery as standard equipment by the manufacturers of 173 makes of cars and trucks.
- 2—A nation-wide organization to serve you: and—
- 3—A record for quality and service dating back nearly to the beginning of the automobile.

You don't need a formal invitation. Come in any old time and get some new light on this battery question.

CENTER COLLEGE STAR IS SOUGHT BY DALLAS

Dallas, Texas, Dec. 10.—"Bo" McMillan, the sensational quarterback of Center college, is a much wanted coach for next year's football team by Dallas university.

Negotiations have been under way with the captain of the "Praying Colonels" for some time but at a recent conference here McMillan left

without signing a contract.

Today an offer of \$25,000 for his services for five years was on its way to McMillan at Danville, Ky.

It is understood that McMillan has been holding out pending his proposition for a five-year contract and that he will likely sign the contract when it reaches him.

Canton Bulldogs To Meet Staleys In Title Battle

Canton, Dec. 10.—Members of the Canton Bulldogs football team departed here last night for Chicago where they meet the Staleys of Decatur, Ill., for the national professional championship on Sunday.

Twenty players are in the party, headed by Captain Bob Higgins of Penn State, All-American in 1919.

Canton flashed into the championship row by defeating Akron by two touchdowns Thanksgiving, and then outscoring the Quakers at Philadelphia. The Staleys cleared their way by defeating Buffalo last Sunday.

GROH AT THIRD BASE

New York, Dec. 10.—Heinie Groh will be played at third base on the Giants' team and Frankie Frisch, last season's third sacker, will be moved to second base, according to an announcement here today by Manager McGraw.

More Power with Less Gasoline

LUBRICANT CARBON REMOVER

SOLVES THE CARBON PROBLEM

When your motor loses power, when it knocks, bucks and overheats, don't monkey with the carburetor. Send for a can of Lubricant Carbon Remover and pour two to four tablespoons into each spark plug hole. Follow directions and the motor will do the rest. It works like a cathartic. You will see the proof in the cleaned spark plugs, and you will get more power and more miles out of every gallon of gasoline. Every can guaranteed.

Cleaning Facts by Wark's

Talk No. 4--Do You Know--?

DO YOU KNOW that four hundred people are injured or killed in Ohio every year through the careless handling of gasoline?

DO YOU KNOW that the explosive force of one gallon of gasoline, when properly mixed with air, is equal to 83 pounds of dynamite?

DO YOU KNOW it takes but a very short time for one-tenth of a pint of gasoline to evaporate, and that one-tenth of a pint, properly mixed with air, is equal to one pound of dynamite?

DO YOU KNOW that gasoline is volatile and evaporates at ordinary temperature and when agitated or heated, such as when washing articles in it, it evaporates more rapidly?

DO YOU KNOW that gasoline, benzol, benzine and ether are all volatile and that none of them have a place in the home?

DO YOU KNOW that friction of clothes causes static electricity, which will ignite inflammable vapors?

DO YOU KNOW that vapors will travel twenty or more feet and will ignite if they come in contact with fires or light?

DON'T keep gasoline in the basement. The container might leak and gasoline vapors are heavier than air and would accumulate and cause a very dangerous condition.

DON'T strain gasoline through a chamois; many have been injured doing it.

DON'T keep gasoline in a glass container which is liable to get broken. Use a red safety can.

DON'T try to distinguish between gasoline vapors and gasoline after-odors when drying articles before a stove. You might be wrong.

DON'T use gasoline in your home unless all doors and windows are open and all fires and lights are out.

DON'T DRY CLEAN at home—the risk is too great.

URGES BETTER FIRE HAZARD INSPECTION

Columbus, Dec. 10.—That there is room for more thorough inspection of fire hazards in Ohio is the assertion made by J. F. Joseph, Chicago, addressing the semi-annual meeting of the Ohio State Conservation and Fire Prevention association at the Hotel Desher here. Mr. Joseph is secretary of the national advisory committee for fire prevention organizations. He declared that 23 1/3 per cent of the risks are without criticism.

Greater co-operation among property owners, renters and officials for the purpose of making speedier reports of fire hazards and insuring prompter corrections of fire hazards when attention is directed to them by fire prevention officials or fire department inspectors was urged by Safety Director J. P. McCune, Columbus.

Orphans In Home Are Happy, Local Society Is Told

Papers read by Mrs. Eli Floyd and Mrs. Frank Cook and a vocal duet by Mrs. K. D. Painter and Mrs. J. Briggs were the enjoyable features of the missionary meeting held at the Christian church parlors Friday afternoon.

A letter was read from the missionary orphanage in Cleveland which the local society takes interest in supporting and it is reported that none of the children in that institution have been ill so far this season and that all of them are contented.

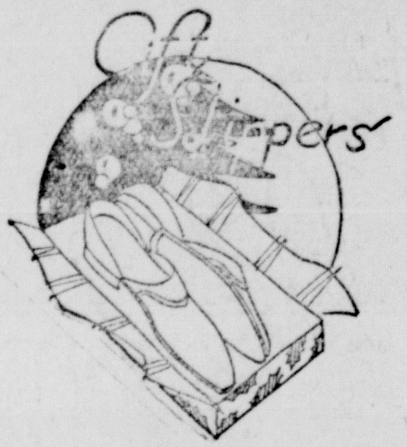

The Salem society recently sent the orphanage more than 300 cans of fruit and vegetables and about three barrels of potatoes donated by people of the church.

A petition asking that the Bible be included in the regular routine of school work, written by the members of the Women's Christian Temperance Union, was read and accepted. Members of the Missionary society decided to support the W. C. T. U. in the movement.

A meeting of the executive committee was announced for next Wednesday afternoon following which a covered dish supper will be served.
